OUR MISSION

As a premier Bridal Hair and Makeup team in Napa Valley, we're dedicated to creating timeless, sophisticated looks that enhance each Bride's natural beauty. Our focus is on effortless elegance, flawless application, and a personalized experience that allows every Bride to feel confident, radiant, and herself on her special day.

OUR HISTORY

Bella Bridal began in 2013 as a solo venture, driven by a passion for helping brides feel like the most radiant version of themselves. As requests grew, I shared my knowledge and trained talented artists to re-create my signature style, ensuring every Bride could experience the same effortless, natural beauty.

Thirteen years later, what started as a one woman dream has blossomed into a family of over 30 incredible Artists. Together, we haven't just built a team we've, built a community dedicated to celebrating each Bride's unique beauty with care, artistry, and love.

MENS GROOMING

For the Groom, Bridesman, Groomsman

Hair and makeup isn't just for the bride. Our grooming services help the important men in your life look polished, confident, and camera-ready for your special day.

Services include professional hairstyling and light makeup application designed to reduce shine, minimize the appearance of dark under-eye circles, even out skin tone, and create a fresh, well-rested look. The result is a natural, enhanced appearance that photographs beautifully without looking overdone.

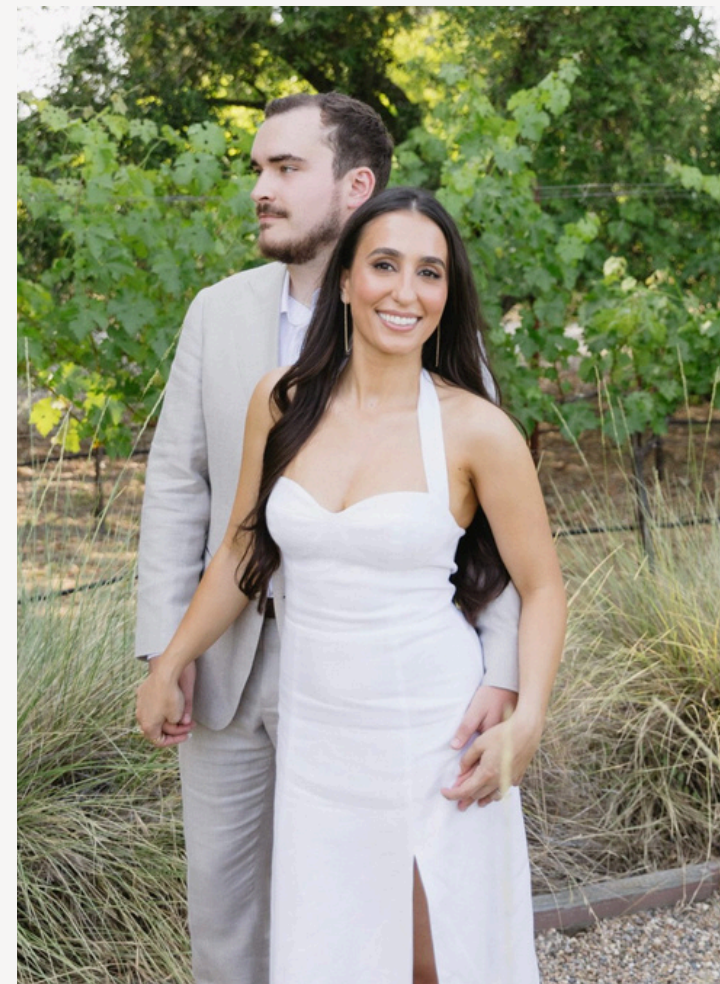

Whether it's the groom, bridesman, or groomsman, our goal is to help everyone look their best, complement the bridal party, and feel confident in front of the camera. After all, these are memories you'll cherish forever and stunning photographs start with everyone looking and feeling their absolute best.

REHEARSAL

Whether you're attending your rehearsal, rehearsal dinner, welcome party, or pre-wedding gathering, our team will create a look that feels elevated yet effortless. This is the perfect opportunity to enjoy professional beauty services, capture beautiful photographs with family and friends, and take the stress out of getting ready.

Many brides choose to use their rehearsal appointment as a preview of their wedding day beauty look, while others opt for a softer, more relaxed style that complements the festivities. Whatever your vision, we'll create a customized look that helps you feel your absolute best throughout every celebration.

Because every wedding weekend deserves beautiful memories and beautiful photographs.
